RE: Increased Appropriation

Dear Honorable Board:

I am requesting that the FY 2007 Department of Aviation appropriation be increased by \$5,000,000. This money will be used to pay down a segment of the Series 2002C bonds. The source of this money is an FAA reimbursement. This FAA reimbursement was not received in the expected year of its original appropriation (FY2006), but has now been provided to the Airport.

This money is part of the original 2001 FAA Letter of Intent (LOI) commitment to fund the now-completed extension and rehabilitation of Runway 17/35. This Federal commitment was for a series of annual payments totaling 75% of the cost of construction of this project. The payment recently received leaves just one more payment, which is anticipated and budgeted/appropriated for this fiscal year.

All of these recent LOI payments have been used to pay down the Series 2002C bonds, which saves considerably on our annual interest costs. I would appreciate your approval of this request.

Sincerely,

A handwritten signature in black ink that reads 'Kevin A. Dillon'.
